

WHAT IS SCODE?

Code is written to make a website or app

Including video games!

For example, this code below...

```
> <html>
  <body style="background-color:purple; margin: 4em;">
    <h1 style="color: white;">Hello, RLE!</h1>
    
  </body>
</html>
```

Makesthis.

Hello, RLE!
